

## 50<sup>th</sup> Celebrations press release

Wood Lane Dentistry is 50 years old!

Wood Lane dentistry first opened its doors in September 1969. The same year that Neil Armstrong and Buzz Aldrin first walked on the moon, the Woodstock music festival spread its message of unity and peace, and the year the first Monty Python flying circus was aired on television.

Since 1969, Wood Lane has transformed and grown considerably from Messrs Puller and Angel part-time satellite practice to a nationally renowned multi-disciplinary specialist practice, offering Implants, Cosmetic dentistry and treatment of nervous patients amongst other things.

However, at its heart, we are still a community-based preventive practice serving Sonning Common and the surrounding areas from Henley upon Thames through to Reading.

The practice success is very much down to the fantastic loyal support the community has shown it, so to show our thanks we are holding a celebratory BBQ at the practice 37 Wood Lane, Sonning Common and everyone is invited (patient or not) to help us celebrate.

The date is the 14th September 2019 and will start at 12pm and finish by 3.00pm

There will be entertainment for the children and a chance to meet the team, enjoy something to eat and celebratory glass of something to drink.

If you would like to join us then, please RSVP to [info@woodlanedentistry.co.uk](mailto:info@woodlanedentistry.co.uk) and let us know if you have any dietary requirements., We look forward to seeing you there.

Wood Lane Dentistry Team

If you are not already a patient of the practice, please visit [woodlanedentistry.co.uk](http://woodlanedentistry.co.uk) to find out more, or contact us for a free no obligation tour of our facilities.
