

Citizens Advice needs volunteer advisers

We can all face problems that are too stressful or complicated to sort out alone.

Last year our 150 volunteers advised over 11,000 people. We helped three quarters resolve their debt, benefits, employment and housing problems.

We now need more advisers to help us during and after the Covid-19 crisis.

Normally, our main offices are in Abingdon, Didcot, Henley and Thame. Ninety volunteers and staff are now advising the public from home on our Advice Line service.

What will you get out of it? You will join a friendly team, meet new people, develop your skills and make a real difference to people's lives.

You'll need to have good listening and interpersonal skills, a willingness to learn and be confident with computers. Full training will be provided.

If you have eight hours a week to spare for the next two years or more and are looking for a satisfying and stimulating volunteer role in your local community, please contact us at:
