Charity Update - Tuesday 5th January 2021

It was with much sadness and regret that Greenshoots and our Workshop (Unit 26) has had to temporarily close again to trainees from today.

During the last few weeks, we have continued to keep busy, keeping in contact with our friends and trainees, and we have been so encouraged by the messages of support. Our trainees have set up a WhatsApp account and are posting pictures of jigsaws and Lego under construction, their baking successes, plus many, many words of encouragement to each other.

To support their endeavours, we are going to try to post a weekly activity, plus, we are pulling together some fundraising activities, kindly collated by some young volunteer friends, so watch this space and please keep visiting for news!

You will be unsurprised to read that though we are closed, we desperately need to continue to raise funds - we still have to pay all of our running costs and without the ability to fundraise at events and it being too early in the season to sell Greenshoots vegetable plants, the shortfall is only increasing. We would be very grateful for any size of donation, to help us through the next few months.

All emails are being answered; if you phone and there is no answer, please leave a message, which includes your best contact number.

A huge thank you to everyone for your continued loyalty and support during the last year your calls and emails are most appreciated.

Please continue to look after each other, especially those who are vulnerable or isolated in our communities, and have a very safe start to 2021.

With warm good wishes from everyone at,
