Too much waste to fit in the bins?

All bins should be put out for collection with their lids firmly closed to allow them to be easily attached to bin lorry for emptying

- We do not collect extra rubbish, please keep it for the next rubbish collection or take it to a household waste recycling centre.
- We do collect extra recycling, contents must be visible to the crews so put it in a cardboard box or a clear sack next to the green recycling bin.
- We do collect extra food recycling, it should be left next to or on top of the food waste caddy.

Christmas waste

We can help with managing waste over Christmas including extra recycling and Christmas tree collections after the New Year see more on www.southoxon.gov.uk/christmaswaste (web page available from 1 Dec 2021)

Collections affected by bad weather

If we cannot empty your bins when the roads are unsafe due to snow or ice then please leave your bins out for two days after your scheduled collection day and we will try to catch up. If that's not possible we will empty them the next time they're due and if it's a black bin week you'll be able to leave out up to one bin load of extra waste next to the bin. If collections are disrupted by bad weather we will post updates on our website and social media accounts and we'll send notifications out to the BINZONE app.
